Fall 2006

To Central Florida Businesses:

The Ormond Beach Soccer Club was founded many years ago to promote year round quality soccer in our Central Florida Community. The Club functions with many volunteers who work diligently to provide recreational and competitive soccer to our young players. We also promote teamwork within our club and community to help serve a better Volusia County. Because one of our goals is to financially assist those who would otherwise be unable to participate, we regularly undertake fundraisers throughout the year.

Ormond Beach Soccer Club's Apollo U-16 State Cup team will be teaming up with area businesses for the purpose of soliciting donations. During the course of the year, we have had two single parents develop life-threatening illnesses making it necessary for us to seek outside assistance to subsidize their sons' dues and other operating expenses. Both parents have accumulating medical expenses without the benefits of insurance. These funds will help defray many of the costs associated with our high level of competition, and we request that you consider a donation

In appreciation of your support, Apollo U-16 will display your name or business on our website [www.losleonesjrs.com](http://www.losleonesjrs.com) and on the players' warm-up jerseys. (See levels below):

- \$0-\$250 Website Advertisement
- \$251-\$499 Website Advertisement & Advertisement on our Warm-up Jersey
- \$500+ Website Advertisement, Warm-up Jersey Advertisement & to be determined

This will be Apollo U-16's third year playing together as a team. Our first and second year we advanced to the 2<sup>nd</sup> round of State Cup. Our players come from Ormond Beach, Flagler Beach, Palm Coast, DeLand, Port Orange, New Smyrna Beach, and Ocala. We anticipate that this will be a very successful and high level State Cup team for many years to come.

Our fundraising efforts will definitely continue to defray many of the costs associated with our high level of competition. We thank you for considering our request, and hope you will support us while playing a significant role in the athletic development of so many of our fine young athletes. For those of you that I have sought prior fundraising assistance from in the past, I thank you. I would again ask you to consider helping our team in this endeavor. I appreciate your consideration of this request, and I continue, in any event, to value our long-term business relationship.

Most sincerely,

**Apollo U-16 Soccer Team & Families**
